JONAH AND THE BIG FISH

LESSON
Introduction:
Have you ever been asked to do something difficult, something that you did not want to do?

How does God help you do difficult things?

READ: SPARK BIBLE, pg. 180
Discussion Questions:
1. What do you think it would be like to travel inside of a big fish?
2. Why did Jonah walk the opposite direction of Nineveh?
3. What happened to Jonah that made him realize God was mad at him?
4. Why did the big fish finally spit Jonah out?
5. Just like Jonah, God has work for us to do. What work do you think God wants us to do?
6. What part of this story will you remember the most?

APPLICATION
Jonah needed hope and God’s light inside of that big fish. Jonah prayed to God and God provided what Jonah needed to remain hopeful. Share God’s spark inside of you with someone this week. God’s light is inside each of us and when we work together and share our faith light with others, God’s light shines more brightly.

PRAYER
Dear God, thank you for sticking with us even though we misunderstand, mistrust and resist your directions. Please help us to be more obedient and accepting of your generosity—even towards those we don’t like. In Jesus’ name we pray.
Amen.

- Colored markers or crayons
ACTIVITY - Paper and Clothespin Jonah and the Whale

Instructions:
1. Cut out a whale shape from your blue or grey paper.
2. Draw the eye on the whale with marker. Decorate your whale, if you want to. You can add sequins or draw more details to make him look more “whale-like.”
3. Cut out a Jonah shape from your white paper and color him in.
4. Cut your whale in half horizontally.
5. Lay the clothespin on its side. Glue each half of the whale onto one side of the clothespin. (Make sure that both halves line up. Also make sure that you glue only the edge of each half-whale to one half of the clothespin.)
6. Glue Jonah on the reverse side of the clothespin, so that he peeks out when you open the clothespin.
