SEPTEMBER 6
NOAH’S ARK

LESSON
Introduction:
Have you ever been in a rainstorm? What was it like?

Why do you think people use phrases like “the storms of life” and other weather words to talk about our lives?

READ: SPARK BIBLE, pg. 24
Discussion Questions:
1. Why was God sad? Why did God ask Noah to build a boat?
2. What would you have thought if God asked you to build a boat? What would you have said to God?
3. God used Noah in a special way. Has God ever used you in a special way?
4. What do you think would have been the best part about being on the ark with Noah, his family, and all the animals?
5. What did God promise to Noah? What was the symbol of God’s promise?
6. Noah did as God asked, how can we do a better job of doing what God asks of us?

APPLICATION
Just like Noah, we are not always able to see the ways we can make a difference in the world, but we want to keep looking and trying! This week look for things we can do or say that will help make our world a better place. Be kind to someone who looks lonely, help out a neighbor, hold the door open for someone and do a few extra chores at home to help your parents. Be kind in all of these ways, and many more.

PRAYER
Dear God,
Thank you for all of the animals that are so interesting in the world. Help us to remember that you created the world and everything in it. Show us the ways we can make a difference in the lives of the animals and people around us.
Amen.
